ABCORI Service Camp Joining Hands & Hearts

ABCORI's service camp will allow people of all ages to join hands and hearts in helping others through special service projects.

Coordinated through ABCORI's Elder Care Ministries' Repairing Homes, Restoring Hope program, campers will work on houses of older homeowners. From painting to yardwork to minor repairs, this work will help homeowners remain in their houses.

The weekend experience also will include group discussions and activities focused on how serving others helps us live out our faith. There also will be opportunities for fun and worship.

Camp will begin with dinner at 6:00 p.m. on Friday, June 30, and conclude with a worship service on Sunday morning, July 2.

This intergenerational camp will allow adults, youth, and children to work side by side. Campers under age 18 must be accompanied by an adult camper.

The registration fee includes meals and housing. Campers will provide their own transportation to the work sites.

The registration deadline is June 5. Please complete and return the registration form, along with the nonrefundable registration fee, by that date.

Camperships may be available from campers' congregations. To inquire about other scholarship possibilities and/or request additional information about this camp, please contact info@abcori.org or (401) 522-9731.
