A Grand Adventure

All Creatures Great & Small

July 10-14, 2023

Join us for this special experience designed for grandparents and their grandchildren (K-6th grade).

Here are a few highlights:

- We will begin at 5:00 p.m. on Monday, July 10, and wrap up by 11:00 a.m. on Friday, July 14.
- The week will center around special opportunities to discover some of the creatures with whom we share the planet. We also will explore God's role as creator and our role in helping care for the animals God created.
- Each full day will feature an offsite adventure. We will visit sites where we can learn about creatures great and small. (Grandparents will be responsible for transportation to the offsite adventures.)
- The week will offer a variety of group gatherings and activities, as well as free time for grandparents and grandchildren.
- Our housing will be in Rathbun Lodge and Green Lodge. Each grandparent(s)/grandchild(ren) unit will have a separate bedroom.
- Our breakfasts and dinners will be in Meadowwood Conference Center. We will take our lunches with us on our daily adventures.
