ABCORI Global Mission Camp

Would you like to learn more about American Baptist mission work around the world while sharing a fun weekend in a camp setting with folks of all ages?

If so, the ABCORI Global Mission Camp is for you!

Camp will begin with dinner at 6:00 p.m. on Friday, August 11, and conclude with a worship service on Sunday morning, August 13.

This intergenerational camp will allow adults, youth, and children to interact with American Baptist missionaries and participate in a variety of indoor and outdoor activities. It offers a wonderful opportunity for families and/or groups from congregations to spend a weekend together. (Campers under age 18 must be accompanied by an adult camper from their family or congregation.)

The registration fee includes meals and several housing options. The registration deadline is July 25. Please return a completed registration form, along with a nonrefundable registration fee, by that date.

Camperships may be available from campers' congregations. To inquire about other scholarship possibilities and/or to request additional information about this camp, please contact info@abcori.org or (401) 522-9731.
